Millbury No Longer Under Consideration for Power Plant

WESTBORO - Kathy Beckman, spokesperson for New England Power Company, recently confirmed that Millbury is no longer being considered as a possible site for a new $30 million "peak load" generating facility. She explained that early in April, New England Power decided to increase the capacity of one of its generating plants in Providence, Rhode Island making the proposed facility unnecessary. "This doesn't mean that we'll never, ever build a facility, but it does mean that we will not be constructing anything in the foreseeable future."

At an August 11, 1987 Selectmen's meeting, 20 area residents turned out to protest the plant's location in an area of Millbury which already hosts the Lewcott Corporation, Polyclad Laminates, and the Millbury Sewage Treatment Plant. Residents feared that the emission of sulfur dioxide and nitrous oxide from the proposed facility would increase pollution problems in the area.

Sutton Town Meeting Articles Produce Lively Discussions

By Jim Douglass

SUTTON - Nearly three-quarters of the way through the first night of the two-night Annual Town Meeting in Sutton, a critical point had been reached. The Finance Committee and the Selectmen had been battling with Andrew Smith, Chairman of the School Committee, and other supporters of proposed school expenditures. The debate was over approval of issues that would add another $100,000 to the already projected $115,000 deficit. The proponents argued that the additional $100,000 didn't matter in light of the needs of the school and the town's children. The opponents held to the Finance Committee's assertion that any increase in the deficit could spell fiscal disaster for the town. Against this backdrop of demands made by those in favor of allocating more money, Selectman Richard Labonte addressed the meeting stating, "We've got to someday bite the bullet and balance the budget, and the time to do it is here." Thus the proposal to approve a school budget of $3,435,000 was denied and the Finance Committee's recommendation of a $3,335,000 school budget was passed by a vote of 100 to 83. After this vote, the 32 other Finance Committee recommendations were approved, nine being withdrawn by the committee and one appropriation article which did not require any expenditure was passed. (The article dealt with repairs to the roof of Fire Station #2.)

The 200 town voters at the May 9th and 10th meetings gave wholesale approval to the budget committee's recommendations which made way for an '88 budget of $6,482,421. With incoming funds of $6,366,762, the result is a deficit of $115,659.

A "Special Town Meeting" was also held during the Annual Town Meeting on May 9th. Sandwiched in during a recess of the regular meeting, four articles were approved, one of which was to allow the use of 13.5 acres of land near the town cemetery for recreational purposes, including its use by the Sutton Town Soccer Association.

Most of the 32 articles approved during the regular town meeting were concerned with minor expenditures for various town departments; they were uncontested. Those generating debate before being approved included one zoning article which increased minimum lot size and an article calling for the installation of a street light on Alana Drive and Central Turnpike.

The two articles generating most of the debate, and which challenged the finance committee's desire to hold the budget line, came from school improvement proponents and Harold Ryder, Chairman of the Sewer Commission. These debates spanned two nights and were defeated by a lack of voter support

Police Department Urges Residents to Check Medicine Cabinet for Two Mislabeled Drugs

The Millbury Police Department has been asked to notify area residents that the U.S. Food and Drug Administration has ordered a recall of two mislabeled drugs. Parents and childcare personnel are asked to search their medicine cabinets for one-ounce bottles of HUMCO and BRITE LIFE brand IPECAC SYRUP.

The Brite Life labeled ipecac syrup may contain iodides tincture. Lot number 004715, with an expiration date of 7/92, is the only lot of Brite Life involved in the recall. The bottle of iodides tincture mislabeled as ipecac syrup may also be identified by the presence of a plastic applicator rod visible in the bottle.

The HUMCO labeled ipecac syrup may contain a poisonous amount of eucalyptus oil. Eucalyptus oil is commonly used in minute amounts in vaporizers and nosedrops and in coughdrops, as flavoring, and it is considered safe for these products. However, pure eucalyptus oil should never be ingested in this amount because even small amounts can quickly cause convulsions and coma. As little as a teaspoon can be fatal!

For further information, contact the U.S. Food and Drug Administration.

Landfill Notice

MILLBURY - Due to circumstances beyond their control, the Board of Health will impose the following dumping restrictions, beginning June 1, 1988 until further notice:

All trash must be bagged
All trucks must be covered

Appliances will be accepted on Wednesdays only. A permit must be obtained from the Board of Health office before disposal. There is no charge for appliance permits.

Millbury Selectmen's Meeting Digest

Millbury Ave. Reconstruction Tops Meeting Agenda

By Edward J. Cooney

May 10, 1988

MILLBURY - The meeting convened at 7 p.m. with a call to order by Chairman Jude Cristo. With the exception of Wynton Adams, all board members were present.

Alged Rudnickas, of Millbury Avenue, spoke to the board concerning events on his street that pertain to excavation work being done by R.H. White Construction for Mass American Water. He explained that he had checked permits issued for the street openings and could not see any stipulation allowing for easements or for usurping the individual rights of the people living along the road.

"In my own case," Rudnickas said, "an area 10'x20' was rutted and left in a deplorable condition." He also noted that the construction workers dug out drainage material around his sidewalk and replaced it with gravel and loam, 4 inches above the original. He also related a similar event which occurred to a neighbor. "Can the Board of Selectmen in any way get the workers to come back and restore the land?" he asked.

Cristo replied, "They should restore it and put it back in the condition they found it."

Rudnickas added, "They took upon themselves more than what they were granted to do."

Cristo reiterated his previous position by stating that the water company and R.H. White will have to bring the area back to standards.

Rudnickas then questioned the absence of curbstones at the entrance to Hayward Glen, a new development across from his property. Cristo asked Administrator Earle Chase if contact had been made with the developer. Chase replied that contact had been made and that the curbstones were to be replaced within the next couple of days.

- The board then voted to reorganize, as is customary following an election. Cristo was reelected Chairman, Donnelly Vice Chairman, and Donald Gauthier, Clerk.

- At 7:15, Cristo returned to the agenda to recognize two members of the Board of Health, Chairman Frank Piscitelli and member Bill Caron. Piscitelli stated that they were seeking the board's approval for use of Town Counsel in order to deal with a serious situation located on McCracken Road. He explained that land at 86 McCracken Road, owned by Donald Johnston, was being used for an illegal landfill. "It is massive...Sgt. Stokowki caught them red-handed," Piscitelli

Introducing the
Transformer Mortgage
Because rates that go up, can come down.

If mortgage rates that go up can come down, why lock into a high fixed rate now?
With the Transformer Mortgage from Fidelity Co-operative Bank, you don't have to. The Transformer lets you pay a low adjustable rate now **or** lock into a fixed rate security at your option. You can keep your adjustable rate until fixed rates are lower, and convert to a fixed rate at no cost to you anytime between the first anniversary and the fifth anniversary of your loan, **or** lock in a fixed rate up to seven days prior to closing. The decision if and when to lock in is yours. That's the Fidelity Transformer advantage.

Initial Rate	Annual Percentage Rate
plus one point	
8.25	***9.701**

If you want the Fidelity Transformer Mortgage, just stop by or call any one of our offices.

Because rates that go up, can come down...

* Rates subject to change without notice. Interest rate is adjusted annually, based upon the weekly average yield on U.S. Treasury Securities, adjusted to a constant maturity of one year, as made available by the Federal Reserve Board, plus the applicable margin. The rate of interest on this loan is 7.75%, which reflects a discount of 1.375% from the regular rate which would have been in effect using the most recently published value of the index for this product plus the pre-selected margin of 2.50%. The discounted rate will be available for one year only. The Annual Percentage Rate is based upon closing on the first day of the month, on owner-occupied property, with a minimum 10% down payment.

said. The truck used to carry the materials was dumping debris from the burned out L.N. Sherry building located in the Quinsigamond Village area of Worcester.

Piscitelli went on to say that two cease and desist orders have been ignored. He further explained that there is a need to use town counsel to acquire a restraining order and to get orders to remove the materials that were dumped.

He indicated that a criminal complaint will be sought in District Court, which could take up to 3 or 4 months, but he also noted that a restraining order could be acquired the same day. "We are asking for an open availability to use town counsel," Piscitelli said. The board agreed and voted to grant the Board of Health use of town counsel.

- Administrator Chase then presented his weekly report to the board by first informing members that it was not necessary to proceed with interviews from the civil service list for police as one position was cut at the annual town meeting.

- In another matter, Chase stated that approval was needed to use monies approved at the town meeting for salary adjustments associated with collective bargaining. The board approved, on a 4-0 vote.

- Chase reported that he received Blue Cross/Blue Shield renewal information which he had reviewed. He informed that board that a meeting will be held on Thursday with the insurance advisor for the town. According to Chase, a review will be made of the Fallon Plan for possible changes in benefit packages. He noted that Central Mass Health Care rates were received and that rate increases were not as high as he had previously projected.

- At 7:30 p.m., the board listened to another presentation concerning the Millbury Ave. Reconstruction Project, by Paul LaRosa, Chief Engineer for Bayside Engineering, consultants for the town.

LaRosa stated that since the last public meeting, plans for the project were reviewed and final complete drawings were established and were ready for bid, subject to town approval and availability of funds.

"In summary," he said, "the road will be 3120 feet long from a point at Howe Ave. to Riverlin Street. The road is a typical section of paved area 28 feet wide, including (2) 2' wide shoulders and a 5' wide sidewalk on the west side. On the opposite side, a berm will be installed to catch drainage water collected, not dumped. Water will be carried to a drainage system to an existing brook. It will run through some brook systems, we can't change that."

In reply to a question from Cristo on the hump in the road near the railroad tracks, LaRosa reported that a profile was being reviewed and that the hump would be taken out. "The hump ends at the Water Co. pumping station and substantial change of the profile will take place during construction," he said.

Selectman Donald Gauthier expressed concern about the location and depth of the water pipes and gas pipes at the area where the hump would be cut out. LaRosa explained that the deepest cut would be 4 feet at the location of the power lines near the intersection of Railroad Ave. and Millbury Ave. He also noted that a couple of test pits would be made and that information concerning utility pipes had been collected from the companies.

Alged Rudnickas asked if the 4 foot cut would disturb adjacent property and also questioned the type of curbing to be used for the sidewalks. Larosa replied that adjacent property would not be disturbed and that the sidewalk curbing would be granite.

In response to a question concerning the life of the asphalt berm on the west side, Larosa responded that it should last 20 years. He noted that the berm would be located on the west side, opposite the sidewalk, because it would be less disruptive to the homeowners and be more economical for the town.

He also indicated that the sidewalk was to be installed on the east side so it would match and blend into the existing sidewalk on the northwest end of the roadway.

Several questions were raised by homeowners on the westerly side of the road who have had to deal with water problems in the past. Most expressed concern with the drainage of water from the road into an existing brook, which is part of the present drainage system. It was their feeling that, because of past water problems, the new road would increase the water runoff into the brook, which would in turn increase the possibility of flooding.

LaRosa responded that additional catch basins would be installed and that the drainage would follow the existing drainage system. He also said that the westerly side was the natural flow of water in the area as it was the lowest section. He emphasized that there was no way that the natural flow could be changed.

Several residents pressed for guarantees that the new road construction would not cause increased water problems. LaRosa offered no guarantees, but attempted to alleviate residents' fears by stating that, with additional basins and the berm collecting and draining the water into the existing brook, no additional increase in water runoff would affect their property. He also noted that a drainage pipe located further down towards River-

Planning Board Discusses Projects by developer Todd Miles

By Rosalie Tirella

MILLBURY - The May 16 Planning Board meeting began with a reorganization of the board. Anna Lewandowski was elected Chairwoman. Other board members are Terry Burke-Dotson, Arthur Moore, Lillian Moore, and newly-elected member Ann Kniskern.

Todd Miles was the main topic of conversation at the meeting. Hunter Greenwood discussed Miles' procrastination regarding the insertion of boundary markers on Cyndy Lane, and the board tried to decide whether Miles is following a different building plan for his property on Bengston Lane than the one he submitted to the board.

Miles was first mentioned at the meeting by Greenwood, who expressed concerns over the fact that Miles has not put boundaries on Cyndy Lane. "Cyndy Lane is completed and should be bounded," he said. He added that the road's center line is not in the center of the road. "That thing should be corrected now."

Mrs. Lewandowski shared Greenwood's concern, adding, "I don't know how it will affect the highway department come plowing time."

Greenwood, a surveyor, said, "It really helps the surveyor if there are bounds...control points at the curbs." Greenwood said it costs more for a surveyor to survey land that isn't properly bounded. He also added that most developers get around to marking their land. "It's just a question of keeping after them."

Greenwood was also present to discuss lot dimension requirements for the Town. He maintained that the frontage of the lots in Millbury should be decreased in relation to a diminished lot depth. He maintained that frontages that are larger than a piece of property's depth "make for a very funny looking lot." Greenwood also suggested that Millbury's zoning regulations should be revised to allow for a 10 foot increase in the width of lots. He noted that by expanding the width to 20 feet, houses will at least be 40 feet apart.

Mrs. Lewandowski agreed with Greenwood, adding that the town's master plan should include his suggested revisions.

The board then discussed Miles' plans for Bengston Lane. Board member Terry Burke-Dotson maintained that Miles is not following the Approval-Not-Required (ANR) plan that the board approved. Ms. Burke-Dotson claimed that Miles added a lot (Lot #10) at a later date to his property, thus changing the zoning laws.

Mrs. Lewandowski suggested that the board take a look at the last two recorded plans. "Let's get the plans; let's see what was recorded," she said. Mrs. Lewandowski also added that the board has to "see whether or not we have any jurisdiction over the ANR's."

Assumption CYC Hosts Kid's Fair

Photo Courtesy of Assumption CYC

MILLBURY - Members of the Assumption Parish Catholic Youth Council display some of the prizes and games that will highlight their "Kids Fair" to be held on Saturday, May 21, from 11 a.m. to 3 p.m. at the church hall.

The fair is directed toward children from pre-school to 9th or 10th grade. Among the features for this event are the following: Games, Prizes, Raffles, Face Painting, and Grab Bags. Refreshments will also be available, including hot dogs, hamburgers, popcorn, ice cream, cotton candy, and soda. In addition, a bake sale will be held.

Proceeds from the fair will go toward youth activities for the coming year.

PLANNING

Have you given any thought to financial goals...creating money to buy a house, putting the kids through college, buying a summer home at the Cape, finding enough to retire on...whatever?

These dreams can come true, but it takes a plan. Creating a financial plan - using your objectives - is what we do best--and we've been doing it longer than any other organization in Central MA (since 1972).

We'd like to help you develop a plan to make a dream come true. Why not call us today?

Thank You

The Marjorie A. Matson Memorial Scholarship Committee wishes to extend a grateful thank you to all those who helped us attain our goal.

At present, our Memorial Fund stands at $18,619.57. Due to your generosity, the committee will be able to give $1,000 in scholarships annually. This is truly a meaningful tribute to a special lady.

Fitzpatrick Honored at Convention

James Fitzpatrick, of Fitzpatrick Real Estate in Millbury, was honored recently at the annual Gallery of Homes, Inc. National Convention held in Orlando, Florida, April 13-16.

According to the press release, "Fitzpatrick was named to the prestigious John T. Nothnagle Knights of the Roundtable in recognition of his outstanding success in residential real estate sales."

The Nothnagle program provides for four levels of Knighthood: Senior, Master, Presidential and Lifetime Presidential. In a special ceremony held on Saturday, April 16, Fitzpatrick was honored by being named Master Knight, for being a multi-million dollar seller in 1987.

Gallery of Homes, Inc. was established in 1950 as the first network of independent REALTORS in the United States. In 1983, it was purchased by Empire of America Federal Savings Bank. Through its financial and real estate subsidiaries, the "BIG E" is represented in 35 other states and Canada.

Seminar to Focus on Financing a Small Business

UPTON - The Blackstone Valley Regional Development Corporation will sponsor a seminar entitled, "Acquiring Financing for the Small Business" on May 25 and 26, from 6:15 to 9:00 p.m. at the Blackstone Valley Regional Vocational Technical High School in Upton.

The seminar will illustrate how to develop and package a business plan proposal in order to get financing. It will also explore the range of financial options available.

The total registration fee for both sessions is $20 for Chamber members and $30 for non-members. To register, or for more information, contact Helen Bicknell, director of the BVRDC, at 234-9688.

What's the Difference?

By Pat O'Leary & Larry Ham

HOW TO PLAY: The answers to the two clues rhyme and the beginning consonant sounds are switched. For example: What's the difference between a neckwear fastener and a metal pan for baked desserts? One is a TIE PIN and the other is a PIE TIN. Sound counts, not spelling.

1. Daniel's spouse and an adult male's escort?
2. A mallard's championship fight and a male deer's skepticism?
3. "Come, canine" and a beloved pig?
4. An orange-vegetable's bygone days and a parakeet's plaster dressing?

ANSWERS: 1. Dan's mate and a man's date. 2. A duck's bout and a buck's doubt. 3. "Here, dog" and a dear hog. 4. A carrot's past and a parrot's cast.

175th Anniversary Update...

MILLBURY - The Executive Committee for the town's 175th anniversary celebration will meet at 8 p.m. in the town hall on May 31 and again on June 6 at 7:30 p.m.

Bronze plated medallions ($20.00), pins bearing the logo for the 175th ($3.00) and tickets to the period ball ($30.00 per person), may be purchased at the Tax Collector's office.

The following events are scheduled:

- From June 7-24, there will be an art exhibit, "Drawing by Design: David Macaulay's Mill," at the Millbury Public Library.

- On June 11, from 4-9, a Block Party will be held at the center of town, featuring various musical groups.

- At noon on June 12, there will be a parade of fire trucks from Elmwood Street School to the High School, followed by a Firemen's Muster at the high school.

- The Central Massachusetts Symphony Orchestra will perform at Windle Field on June 18. A fireworks display will follow.

- A bike race is planned from 1-6 on June 19.

- The period ball will take place at the Sheraton Lincoln Inn, Worcester, on June 24.

- On June 25, from 12-3, children will participate in activities at the high school athletic field.

- A golf tournament will be held at Clearview Country Club on June 26.

- The Lions Club will host their annual carnival at Windle Field from June 29-July 4.

- There will be fireworks displays on July 2-3, and the parade will be held on July 3.

Prizes will be awarded in all events, plus T-shirts for every person registered. (For Millbury Residents Only)

A Bit of History....

By Grace Laflash

Art Work by Mary Lou Vaillancourt, Grade 5, Assumption School

Because it is our town's 175th birthday, I would like to share a bit of history with you. In the West Millbury Cemetery, there is a large gravestone bearing the name WOOD. It marks the graves of Amasa Wood and his family. A closer glance reveals the name Dolly Harris. This black woman is buried with the Woods.

Amasa's brother, Ezekiel, had established a business in Georgia. At some point, he brought Dolly north to West Millbury. She never again returned to the South but remained with the Captain's family. She died at the age of 100.

On The Shelf

By Rosemary Waltos

According to the Millbury Public Library's 1988 copy of *CHASE'S ANNUAL EVENTS*, May is Better Sleep Month, Correct Posture Month, Foot Health Month, National Barbecue Month and National Car Keeping Month. May is also distinguished as being Older Americans Month.

May was declared Senior Citizens Month by Presidential Proclamation in 1963. It was referred to as such until 1973. On May 10, 1974, the term "senior citizen" was replaced with "older American." So we now celebrate May as Older American Month.

Whatever title or label you want to use to describe the elders of the community, they are not as important as the tribute and respect we pay them. Millbury has demonstrated a steadfast commitment to its elders by the services it provides for them. Among these services are the direct care provided by the medical community, including the District Nurses, social services offered by Millbury's Council on Aging, and, of course, Millbury housing programs.

The Millbury Public Library works year round to enhance and improve the quality of life for the elders in the community. It does this by providing them with a variety of reading, listening, and viewing materials that cater to their informational, educational, and recreational needs. In addition, the library also offers a number of free interesting and educational programs such as book discussions, craft programs, and lectures.

What the Millbury Public Library does best is provide timely information on a wide range of subject areas. Subject areas of interest to our older members of the community are not much different than any other segment of our population. While finances, health care, mental health, and the law are areas of concern to all of us, we have taken the time here to review those titles of particular interest to the elderly.

It goes without saying that there's no avoiding getting older. It's happening to us every minute of the day. Very often we fail to prepare for it until crises occur in our lives. Some of the books to help you through the psychological crises and events connected with growing old in general include *NECESSARY LOSSES* (155.9) by Judith Viost. Viost discusses that which is central to everyone's lives: loss. She explores the losses of childhood, the loss of our younger selves, and the loss of people we love.

OH, TO BE 50 AGAIN: ON BEING TOO OLD FOR MID-LIFE CRISES (305.2) by LeShan. LeShan talks specifically to "post-middle-age" Americans about growing old in today's society. While the author admits she has no easy answers, she offers some valuable insight to growing older. Some of the significant concerns discussed in this book include dealing with your grown children and their children, marriage "in sickness and in health," and widowhood. *A GIFT OF HOPE: HOW WE SURVIVE OUR TRAGEDIES* (155.9 in large print) by Robert Veninga rounds out the titles in this area.

The following books smooth the road in the process of growing older: *LIFE IN THE AFTERNOON* (248.8) by Edward Fischer, and *A ROAD LESS TRAVELLED* (248.8 also on video cassette) by M. Scott Peck, M.D. Noted television personality and author Robert H. Schuller, is the author of several widely read inspirational books such as *TOUGH MINDED FAITH FOR TENDER HEARTED PEOPLE* (242.2) and *THE BE HAPPY ATTITUDES* (242.2).

Taking care of the physical side of being, the library carries a number of health books to use for information and guidance. One of the newest on our shelves is *OURSELVES GROWING OLDER: WOMEN AGING WITH KNOWLEDGE AND POWER*. This is another addition from the Boston Women's Health Collection, authors of *NEW OUR BODIES, OURSELVES* (305.4). The bulk of the book deals with understanding, preventing and managing medical problems. *CARING FOR YOUR PARENTS: A SOURCEBOOK OF OPTIONS AND SOLUTIONS FOR BOTH GENERATIONS* (306.87) is a health book, and probably more important, it is a book that offers help in sorting out various care issues including those involving home health and nursing care options.

Whatever your age, *THE ESSENTIAL GUIDE TO PRESCRIPTION DRUGS* (615) will give you information on the drugs you are taking. *PHYSICIAN'S DESK REFERENCE* (REF 615) is another indispensable title in this area. Your local pharmacist, and, of course, your physician, should also be used as resources in obtaining information to assure safe drug use.

Net to mental and physical well being, financial independence is a critical consideration that should be thought out in the beginning of your work life. For those with a plan or without one, there are a number of sources to assist you in gaining financial security. Let's start with the optimistically entitled book *RETIRE RICH!* (332.024) by David Evan Morse. Morse gives clear and concise information concerning pensions, IRA's, Keogh's, 491 K Plans, as well as Social Security, savings, and investments. *YOUR 1987/88 GUIDE TO SOCIAL SECURITY BENEFITS* (368.4) by Leona G. Rubin promises and does give you "plain-English answers...about your right under Social Security." Another popular how-to is *ALL ABOUT SAVINGS* (332.1) by Gerald Krefetz. Krefetz discusses Zero Coupon Bonds, Municipal Bonds,

Sutton Historical Society Visits Ancient Man-Made Stone Structures

Photo Courtesy of Malcolm Pearson

Left to right: Myra Pearson, Arlene Gray, Daniel Griffith (Society President), Mary King, Albert Gray, James P. Whittall (Director of Archaeology, Early Sites Research Society), Kenneth Merrill (front), and Donald King.

Members of the Sutton Historical Society visited ancient man-made stone structures in Webster on May 14th. The four sites of stone structures/inscriptions that were viewed are typical of ones located in the northeastern states. They are similar to those found in the British Isles and elsewhere in Europe, known to be several thousands of years old. James P. Whittall has researched these unusual man-made stone sites in America and Europe for the past thirty years.

Memorial Day Luncheon

MILLBURY - The West Millbury Union Chapel's Social Union will start off its 100th Anniversary Celebration for the Chapel with a Memorial Day Luncheon.

The luncheon will be held on Monday, May 30, from 11:30 a.m. to 1 p.m. at the Chapel, located on West Main Street.

The menu will include the following: Ham, Homemade Baked Beans, Potato Salad, Gelatin Salads, Rolls, American Chop Suey, Relish Tray and Harvard Beets, Coffee, Tea, Punch, and assorted cakes for dessert. The cost is $5.00 for adults and $2.00 for children 12 and under.

The public is invited to attend.

"For crying out loud, William, keep looking. Six hotdogs, two sodas and a bucket of popcorn don't just vanish! !"

District Nursing Society:
providing quality home health care to Millbury and surrounding communities.

MILLBURY - The District Nursing Society, Inc., formerly named the Millbury Society for District Nursing, Inc., is celebrating "Massachusetts Visiting Nurses Week," May 15 through May 20. The goal of the society, since it was established in 1911, has been to provide quality home health care to Millbury and surrounding communities.

The District Nursing Society has grown from that original one nurse agency to an organization employing 47 professionals, paraprofessionals and office personnel. The employees are committed to provide and/or to arrange for services which are needed by the sick and disabled in order for them to live at home whenever possible.

D.N.S. is not the "Same Old VNA." High-tech services are now provided and are available from birth through old age. District Nursing Society nurses have been specially educated to administer intravenous therapy in the home, to change tracheostomy tubes, and care for respirator patients. Home Health Aides are thoroughly trained to give personal care, to assist with ambulation and exercises, and to transfer patients from bed to wheelchair, sometimes by using a hydraulic lift. These aides work under a registered nurse's direction and supervision. Registered physical, occupational and speech therapists make home visits to eligible patients to bring the latest in rehabilitative treatment to the home setting. Homemakers work with eligible patients to provide light housekeeping, laundry, and shopping services. All of these DNS employees form a "Home Care Team" of multi-disciplines working together to complete a total care plan individualized for each patient.

A new program currently being developed by the agency is an Adult Day Health Care Center, which will provide treatment, therapy, activities and socialization for eligible elders and disabled persons during daytime hours. Ground has been broken for the congregate housing unit in Millbury which will house the Adult Day Health Care Center.

The District Nursing Society, Inc. has "come a long way" since its inception 77 years ago. Agency personnel continue to strive to meet the original 1911 agency mission, "to encourage and foster every effort for the scientific care of the sick."

and parliamentary procedure.

During the consideration of Article 6, which dealt with town salaries and school appropriations, School Committee Chairman Andrew Smith played down the finance committee's assessment of an increased deficit as an "emergency," calling the education of children "the biggest emergency there is." Sewer Commissioner Harold Ryder added his appeal for a salary increase of $250, arguing that his salary increase was warranted because of the demanding nature of his position. These two requests were denied during the first evening, May 9th, with David Strieby, Chairman of the finance committee seeking to close the matter altogether with a call for reconsideration of Article 6. With some confusion as to what "reconsideration" actually meant, it was voted down by those in attendance. Only during the continuation of the town meeting on May 10th, when the sewer commissioner and school proponents attempted to reopen Article 6, did Moderator Ronald Pierpont explain that his research indicated that the defeat of the "reconsideration" motion meant that the matter was closed. Thus the groups interested in reopening the matter may have inadvertently voted the wrong way in the previous night's session when they voted against reconsideration, thinking that they could resurrect the reconsideration on Tuesday night. It was at this point that Dr. Robert Perry, who was the sole finance committee voice in support of the school budget increase and who argued adamantly in favor of the increase, got up and left the meeting.

While recommending against the increase of the school's or any other budget allocations at the town meeting, the finance committee and the selectmen stressed that if and when the "free cash" certification does come in September, the school would be the first to benefit from the money. The selectmen and finance committee emphasized that it would be far better to restore the cuts at a later date rather than risk coming up short in "free cash" and having to borrow money at high interest rates.

It was this fear of high interest payments that had forced the finance committee to indefinitely postpone nine articles. From the time of the warrant's printing until the town meeting night, the committee had been looking hard at various proposals and had chosen nine to delete. These included such items as $7,000 for motorized doors in the Town Collector's office, $30,000 for a master plan update, and $20,000 for automated voting machines. A tenth article calling for $15,000 to repair the roof of Fire Station #2 was amended to delete the dollar amount and merely appoint a committee to study the matter as an addition to the station is being considered.

The other article generating considerable debate was Article 41, sponsored by the Planning Board. The board recommended an increase in the required lot size in both R-1 and R-2 districts. This change required a 2/3 majority to pass. The article called for a doubling of lot sizes to 40,000 square feet for lots in R-1 zones served by water and sewers and a variety of lot size increases for lots in R-2 zones depending on their hook-ups to water and sewer systems. Against a number of voices objecting that these new requirements amounted to "snob zoning" and would drive up land prices, making it difficult for the town's sons and daughters to establish themselves in town, the voters in attendance supported the argument that this article would help preserve the town by voting 200 to 10 in favor of the language change.

Early School Dismissal

Thursday, May 26

MILLBURY - On Thursday, May 26, the High School will be dismissed at noon, the Middle School at 12:30 p.m., and the Elmwood Street School at 1 p.m. The morning kindergarten classes will be dismissed at 11:30 a.m. and there will be no afternoon kindergarten or pre-school classes. Lunches will be served as usual, except at the high school. Schools are being dismissed early to allow teachers to work on curriculum improvement.

Wills and Estate Planning

MILLBURY - On Wednesday, June 1, at 7 p.m., Attorney Peter Keenan will be at the Senior Center to discuss and answer questions on estate planning. With the changing laws, it may be helpful to be updated on this topic. As always, you may bring family members.

Stop by the Library for refreshments on Memorial Day

MILLBURY - For your convenience, on Memorial Day you will be able to purchase coffee, tea, juice, and doughnuts on the grounds of the Millbury Public Library. This service is being sponsored by the Friends of the Library. Diane Lewos is chairwoman.

Selectmen Proclaim "Buddy Poppy Days"

PROCLAMATION

WHEREAS: The Annual Sale of Buddy Poppies by the Veterans of Foreign Wars of the United States, Chartered by the Congress, officially endorsed by the President of the United States and the Veterans Administration; and
WHEREAS: The proceeds of this fundraising campaign are used solely for the benefit of disabled and needy veterans, and the widows and orphans of deceased veterans; and
WHEREAS: The basic purpose of the annual sale of Buddy Poppies of the Veterans of Foreign Wars is reflected in the desire to "Honor the Dead by Helping the Living"; therefore,
WE, The Selectmen of the Town of Millbury do hereby declare: May 26, 27, and 28, 1988 as "Buddy Poppy Days". We recognize the merit of this cause by urging the citizens to contribute to its support through the purchase of Buddy Poppies, on the (3) days set for the distribution of these symbols of loyalty in this Town. We urge all citizens to wear a Buddy Poppy as mute evidence of our gratitude to the men of this country who risked their lives in defense of the freedoms of which we continue to enjoy as American Citizens.

To carry this one step further would be consideration for estate planning. Books on how to write a will are also on hand at the library. The popular *HOW TO WRITE YOUR OWN WILL* (347.9) and *ESTATE PLANNING AND WILL WRITING GUIDE* are two good choices in this area. The library also carries a number of books relating to the laws governing this are that will help you in working with your lawyer and financial advisor in this area.

Where to retire is another question to be answered by many folks. If your sick of New England weather, and you want to pull up roots, or you just want to find another more amenable living arrangement, there are books to help you in that direction too. There are two helpful Rand McNally publications you'll want to read. The fist is the *PLACES RATED RETIREMENT GUIDE* (307.7) which compares and ranks over 107 favorable locations for the retirement minded. *PLACES RATED ALMANAC* (REF 310) does the same thing as the latter, however, it is broader in scope. Both publications look at climate, housing, health, crime, transportation, recreation and economic concerns in the areas you may be considering. In addition to these two titles, *HOME SHARING AND OTHER LIFESTYLE OPTIONS* (363.5) by Jo Horne and published by the AARP outlines the choices you have in housing to help you protect your independent lifestyle.

We have included here only a few of the subject areas and titles of interest to our older community members. No matter what your interests or informational needs are, the library will have something for you. Most importantly, the Millbury Public Library staff are happy to help you in finding the book for you.

Don't forget, the library carries a number of nonfiction large print books in the various subject areas mentioned above. You'll also find several selections on audio tape. If you have a visual or physical disability that prevents you from using our library materials, we are glad to help you arrange for materials and services that you can use from the Talking Book Library in Worcester. Talking Books provide you, free of charge, with a record of books and magazines, as well as a variety of aids such as automatic page turners, page ;magnifiers, and playback equipment.

LIBRARY HOURS: Tuesday through Thursday, 10-8; Friday, 10-6; Saturday, 10-1. Telephone, 865-1181.

Singletary Sailing Association

A meeting of the Singletary Sailing Association will be held on Thursday, May 26, at the home of Commodore and Comodoress Tom and Sue Ellen Macaruso, 18 Singletary Road, commencing at 1930 hours.

Note the change of day and location. This will be the final meeting before racing commences on Sunday, June 5. Race Committee details will be finalized as well as power boat supply, equipment storage, outings, and rule changes. Dues must be paid before race points can be accrued. Call John Gaucher for details (865-2372 or 832-5807). Is your boat ready yet?

Potpourri Fair

MILLBURY - The Women's Fellowship of the Millbury Federated Church, 20 Main Street, will hold its annual May Potpourri Fair on Saturday, May 21, at the church from 9 a.m. to 2 p.m. Rain or Shine!

Tables include flower and vegetable plants, jewelry, homemade candy and baked goods, handmade items, and flea market items. A snack bar will also be available.

A good selection of Memorial Day plants will be featured, as well as flower and vegetable plants for your home or garden.

Chairwomen for this event are Audrey Mogren and Florence Powers.

Community Center Festival

WORCESTER - The Qunisigamond Village Community Center, 16 Greenwood Street, will hold its annual Festival on Saturday, June 4, from 10 a.m. to 4 p.m. The following will be featured: Crafts, Children's Events, Baked Goods, Plants, Teen Dance, Flea Market, Raffle, Snack Bar, Square Dancing.

Blackstone Valley Named All-America Finalist

UXBRIDGE - The Blackstone Valley region of Massachusetts has been chosen as one of twenty-five finalists in the 39th annual All-America Cities Awards Competition, according to an announcement from the National Civic League of New York. Some 96 cities, towns, counties, and regions were nominated for the prestigious honor.

The Valley's 1988 application focused on the region's renaissance that has been created, largely, by the work of local civic groups beginning with the Route 146 Improvement Committee which fought for the reconstruction of Route 146, once known deservedly as "The Killer Highway," into a safe, modern roadway that has stimulated economic growth. Other citizen efforts cited in the Valley's nomination were the establishment of the Blackstone Valley Regional Chamber of Commerce and, later, the Regional Development Corporation; and the efforts of members of the Blackstone River Watershed Association to push for the Blackstone River and Canal Heritage State Park, the Blackstone River Valley National Heritage Corridor, and the regional celebration of civic pride known as "Blackstone Valley Heritage Homecoming."

This year's all America Award Jury Presentation and Civic Action Fair will be held June 10-11 in Houston, Texas. A local committee has been working for several months to prepare the oral presentation with slides that must be made to the "Jury," composed of nationally recognized civic activists and municipal managers. Each of the 25 finalists will have ten minutes to present their case, and an additional ten minutes may be used by the Jury for questions.

Rep. Richard T. Moore (D-Uxbridge), Chairman of the Blackstone River and Canal Commission, will be one of the Valley's delegates in Houston.

The planning committee has printed bumper strips for Valley residents to display which include the red, white, and blue All-America City logo and read, "BLACKSTONE VALLEY - We've got the All-America Spirit."

Centerview Mini Fair

Winners at the Raffle Table were as follows:

1. Pocket Book - Howard Taft
2. Wine - Dorothea Grenier
3. Welcome Cut-Out - Betty Louis

Helme Salois, Chairwoman

Aroun' The Town & Golden Agers Update

By Lillian C. Sheehan

MILLBURY GOLDEN AGE CLUB - At a recent meeting of the Millbury Golden Age Club, the following slate of officers was elected: President, Marcus Dooley; Vice President, Marie Lavoie; Recording Secretary, Claire Matson; Corresponding Secretary, Rita Woodward; Treasurer, Loraine Colarusso. These officers will be duly installed by Mary Mulhane at a luncheon at the VFW Hall, Millbury, on Tuesday, June 7. The meal will be served buffet-style, at noon. Please make your reservations with Joanne Dunn and Mildred Mansur, co-chairwomen, with a payment of $8.00. Marie's Catering will put on the buffet.

Marie Lavoie, who will be installed as Vice President of the Golden Age Club, was installed on the Auxiliary's slate at their formal installation on Saturday, May 14, at the VFW Hall.

CENTERVIEW APARTMENTS: Saturday was a beautiful day and the Mini Fair was a huge success, thanks to everyone who came and shopped and to the many workers who maned the tables and contributed articles. A list of the winners is given below.

Mamie Bailey, who has been a patient in St. Vincent's Hospital for six months, is now at the Providence House, Main Street, Millbury. So nice to have you nearer home and best wishes for a speedy recovery! Best wishes also go out to Barbara Welcom who is at the Rehab Center in Fairlawn, Room 314. Keep those cards coming!!

WIT AND WISDOM

You have to give parents of big families a lot of credit; they can't get along without it.

The straight and narrow path would not be so narrow if more people walked it.

More diets begin in dress shops than in doctor's offices.

The smallest deed is better than the grandest intention.

He who thinks he is number one should remember that one is next to nothing.

Summer Hours

MILLBURY - The Building Inspector's office will maintain summer hours beginning June 14.

The Millbury High School Chorus (above) and the School Band (below) performed on the Common on May 16, in conjunction with the Millbury Public Schools' Spring Arts Festival.

lin Street was one third full of sand and silt and could be cleaned to increase the rate of flow from the area.

Cristo stated that the board had to go with the advice presented by the engineers. He also noted that if there was a problem after construction, residents could come back to the board.

Several residents also expressed concern with puddling in their area. They stated that the land was built up in front of their homes to prevent water runoff onto their property. LaRosa stated that two additional catch basins would be located in that area and that they would take another look at the situation.

LaRosa also announced that construction would probably begin around July and possibly take until next June, as most contractors close down in winter months.

Cristo then suggested that LaRosa and interested residents adjourn to the next room to continue the discussion.

- Jonathan Windle was present to discuss concerns of the Watershed Association and the Singletary Sailing Association, regarding increased boating on Singletary Lake and parking on both sides of West Main Street, near the State Boat Ramp.

Windle noted that the situation was almost out of control and that a safety hazard has developed. He told the board that he was leaving a petition with them, signed by 230 people, requesting that "No Parking" signs be posted in that area and that the parking laws be enforced.

Dave Benson, president of the Singletary Sailing Association, stated that he had contacted several state agencies that referred him back to the town for parking restrictions. He also noted that there are 12 lined spaces in the boat ramp parking area but that cars have parked along both sides of West Main Street, in an adjacent lot, and in the fire station lot down the street.

Windle suggested that the boat ramp area be policed so that people will be turned away when it reaches capacity. Cristo recommended that the parking rules be reviewed. He also noted that he didn't know how boating use on the lake could be enforced as the town has no boat to police and enforce speeding violations.

Millbury resident James Fitzpatrick stated that there were problems created by the mixed use of the facilities such as boating, sailing, water skiing, fishing and also people swimming. According to Fitzpatrick, people have washed dogs, bathed and washed their hair in the boat ramp area, which presents a danger with incoming boats. It was noted that the area is posted for "No Swimming."

Millbury Police Chief George Brady stated that there were people coming from out of town for boating. Cristo asked Brady if the police could write citations on the lake. Brady replied that they could and that Sutton and Millbury have reciprocal police powers on the lake.

Cristo said that the board would review the situation and get recommendations. Windle stated, "We were hoping that the board would take action prior to the boating season."

- At 8:30 p.m., at the request of Officer Walter Sprague, the board went into executive session to discuss matters pertaining to an employee's physical health. Cristo asked Sprague if he would waive the 48 hour notification requirement. Sprague agreed.

- The board returned to open session at 9 p.m. with Cristo moving the meeting to items under "Old business."

Cristo and Donnelly were reappointed "special police" by a unanimous vote.

- Cristo then asked Chase if a letter had been received from DEQE concerning the acid gases released from Wheelabrator-Millbury, Inc. Chase stated that a letter was received indicating instances of excessive emissions. Cristo stated that he understood there might be a move to lessen the requirements for emissions of acid gases, which would be a concern.

Chase then informed the board that the Citizens for a Safe and Clean Millbury would be on the agenda for next week.

- A brief discussion developed concerning the parking problems that have occurred in the downtown area. The board decided not to approve a request for a curb cut as requested by Carol Goode, citing that a cut would lose a parking space and open up the door for special considerations. Instead, the board voted to allow 2 hour parking on both sides from the Elm Theater down. On a suggestion by Lachance, the bus stop at the Common on North Main Street will be changed, showing no arrows, and 4 parking spaces will be restored to allow 2 hour parking along the common. Also approved was the restoration of 4 spaces in the 80 foot area reserved for a bus stop on the westerly side of Elm Street. Two hour parking along South Main Street was also approved with proper and clear signage to be installed.

A brief discussion was brought up concerning the loading zone on Elm Street at the Worcester Telegram branch office. Board members indicated that the loading area was posted for parallel parking. It was noted that, on occasion, board members have noticed the delivery truck backing up to the entrance on the sidewalk, forcing pedestrians to walk in the street.

On a suggestion by Chase, two-hour parking was approved from School Street, west, to the Waters Mansion.

- Chase informed the board that DEQE has approved the transfer of a production line from the former Lewcott Company location on Greenwood Street in Worcester to the Providence Road facility in Millbury. According to Chase, DEQE indicated that the line would meet the emission standards.

- Discussion and approval of the ambulance service contract with Himmer Ambulance was deferred until next week; it will be negotiated in executive session. Chase noted that Himmer plans on spending $50,000 for improvements on the building which houses the ambulances. In addition, Himmer wants to negotiate a 5-year contract with the Town.

- On a 4-0 vote, the board approved a request from George Stowe to drop a 61A agricultural reserve on 2 1/2 acres of land on Stowe Road.

- Under "New Business," the board approved:

1. a lease request for the West Millbury School from the Millbury Historical Society.

2. a request from the Fire Department for formal revocation of a used storage license at 1511 Grafton Road.

3. a 61A request for a parcel of land from Mark Dana.

Mother Goose & GRIMM
HI, MZ. GOOSE.
WHAT ARE YOU WATCHING?
IT'S A STORY ABOUT THREE TORMENTED SOULS...
AND HOW THEY DEAL WITH CONFLICT IN THEIR INTER-PERSONAL RELATIONSHIPS...
WHILE STRUGGLING WITH THE PRESSURES OF MODERN LIFE...
IN POST-WAR AMERICA.
I LOVE HOW MOE TWISTS CURLY'S NOSE LIKE THAT WITH A MONKEY WRENCH.

A home like yours deserves a sign like ours.

A CENTURY 21® yard sign stands for the team that gets results. Call our office today.

Share Our $uccess!

...with Low-Cost Car Loans from MCU!

The Millbury Credit Union offers low rates on both New and Used Car Loans...good loans for the vehicles *you* want, with low rates available year-round.

At MCU, you can choose from a variety of options...the amount and term of the loan, with life and health insurance, if you wish.

Don't be mislead by those "low, low rates" offered by some car dealers...rates which are often inflated by such hidden factors as sticker price, trade-in value, and "dealer participation".

Make the best deal you can...and then visit the Millbury Credit Union!
